If Quality Care is Important in Your Facilities,
You Need AMDA Corporate Membership

AMDA offers a corporate discount to long term care companies, based on the total number of professionals you enroll.

How it works: It’s easy!
Your corporate headquarters pays a group rate for dues as one lump sum; all memberships run January through December. Dues for your medical team are significantly reduced, 10% for physicians, nurse practitioners and physician assistants and 5% for other team members.

New Corporate Members enjoy a deeper dues discount in Years One & Two: 10% to 30% reduction in dues…the more you enroll, the more you save!

A new Corporate Member enrolling just 30 physicians saves $1,770 the first year!

Each individual member receives full member benefits:
- *JAMDA*, AMDA’s highly respected, peer-reviewed monthly journal ranks 4th out of 46 for citations in Geriatrics & Gerontology. A subscription normally sells for **$253 per year**!
- *Caring for the Ages* monthly tabloid, featuring news and trends to be shared with the rest of the care team.
- *Weekly Round-Up* e-news reporting on policies, clinical updates, and other news impacting the long term care field
- *Health Policy Advisor* – the policy news source for PA/LTC professionals

Plus, your Corporate Office enjoys
- One additional, COMPLIMENTARY membership.
- A quarterly complimentary AMDA job board posting
- Reduced fee for *Weekly Round-Up* Job of the Week feature
- Advocacy in the nation’s capital: AMDA’s advocacy efforts include regular dialogue with the Centers for Medicare & Medicaid Services (CMS), legislators, and other stakeholders
- A visible influence: when your staff volunteers medical expertise with AMDA, it does good for the field PLUS it enhances your company’s visibility as a leader in quality care
- Public relations opportunities, through coordination with AMDA Communications office

All of your facilities and residents stand to benefit when you or enrolled individuals take advantage of these additional savings:
- Member discount on AMDA PA/LTC Medicine symposium registration--$300 per person
- Member-only pricing on publications, educational webinars and products such as AMDA’s Clinical Practice Guidelines – this important standard is referenced in the CMS state operations manual and MDS 3.0 users’ manual.
