### **AMDA ANNOUNCES THE DEPARTURE OF EXECUTIVE DIRECTOR**

Columbia, MD-- AMDA—Dedicated to Long Term Care Medicine would like to announce the departure of Lorraine Tarnove as our Executive Director. We wish her well in her future endeavors.

While change always brings uncertainty, the AMDA Board of Directors would like to share with our membership and stakeholders that there is a plan in place to continue with the ongoing management requirements for AMDA, as well as a process to ensure that the organization continues to meet its mission of education and advocacy for medical directors, attending physicians, and other professionals practicing long term care medicine.

The AMDA staff and board are committed to the growth and success of the organization and are currently preparing for our annual meeting, [AMDA Long Term Care Medicine – 2012](#), the premier conference for long term care professionals, which takes place March 8-11, 2012 in San Antonio, TX.
